Pre-Conference Training - April 5th - Jacqueline Font-Guzmán, MHA, JD, PhD

Disrupting and Connecting: An interactive workshop on the mediator's role in social justice advocacy

Our intent for this training is to co-create with participants an experience in which they can reimagine what is possible for them as mediators. We will explore how we can determine when and how to help people connect with those they are in conflict with as well as with potential allies. This training will invite us to reconsider our

assumptions, values, and beliefs about the mediation profession.

She serves as the inaugural Vice President for Diversity, Equity, and Inclusion at Eastern Mennonite University in Harrisonburg, Virginia and Professor in their Center for Justice and Peacebuilding.

Jacqueline's newest book (with Bernie Mayer, PhD) is *The Neutrality Trap: Disrupting and Connecting for Social Change*.

Most Valuable Peacemaker Dinner – MVP 2024 is Susan Jordan – April 5th-
